FOOTPRINTS TRADING LTD

Background to the Organisation

Footprints Daycare provision was established in 2003 to enable families to access affordable quality childcare.

This has created much needed jobs in the Colin area and at present 14 full time and 3 part time staff are employed within the childcare facility.

This is set to expand over the summer 2007, creating a further 5 posts.

Mission Statement

Enabling women and children to grow, to ensure their voices are heard and that they can take their rightful place in a just and equal society.
