CONFERENCE AND COMMUNITY FACILITIES

Available to.....

..... social economy businesses, charities, schools, community organisations, local businesses, health trusts.....whatever your needs.

WHAT'S ON OFFER AT LAGANVIEW ENTERPRISE CENTRE LTD

Located off the main Moira Road and within five minutes drive from Lisburn City Centre LaganView is ideally situated and accessible to all those wishing to use our wide range of community and conference facilities.

LaganView is a multi-purpose, contemporary two story building offering car

parking to all clients as well as offering disabled facilities for easy access throughout the building. A spacious lobby area welcomes all and is convenient for those wishing to advertise their activities to the wider general public. In the complex there is one main hall situated on the ground floor seating up to 150-200 people. A multi-purpose training room and IT Suite are located on the first floor of the centre. All rooms are adaptable with various seating arrangements.

The facility also boasts 3 commercial units of approx 500 sq ft each, 3 workshop units of approx 800 sq ft each and a range of varying office sizes. Please contact one of our advisors to arrange a visit under no obligation and to seek a quotation.

Main Community Hall

This spacious main hall will seat up to 150-200 people depending upon your seating requirements. This hall can be suitable for anything from birthday parties to exhibitions to social and recreational activities and is available 7 days a week. A PA system is also available upon request.

The Brendan Murray Training Room

This multipurpose training room seats 14 people boardroom style and seats approx 30 people classroom style. This room is ideal for medium size

meetings, seminars or workshops- alternatively, other seating arrangements can be requested. Equipment including flip charts, a TV and DVD/video recorder, data projector and screen and wireless broadband are all readily available for clients. Catering is available upon request-please seek a quotation.

IT Suite

The centre has a purpose built hi-tech IT Suite housing 12 computer works stations with the Microsoft Office Package and broadband access. (To be completed by Sept 2008). The Suite can be hired for private training purposes but keep an eye out for our the computer training courses delivered by LaganView's IT Specialists.
